Quizzes: There will be a quiz every week during the discussion session. The quizzes are based on the Homework Problems, which will be assigned every lecture. Quizzes will form 20% of the total grade of the course.

Midterms: There will be two midterms. The **First Midterm** will be on **Wednesday, February 8, 2012**, during the lecture in **RH 101**. The **Second Midterm** will be on **Monday, February 27, 2012**, during the lecture in **RH 101**. Each of the midterms will form 20% of the total grade of the course. That is, the midterms will form 40% for the total grade of the course.

Final Exam: The **Final Exam** will be a comprehensive exam. It will take place on **Wednesday, March 21, 2012**, between **1:30-3:30am** at the Lecture Hall in **RH 101**. The final exam will form 40% of the total grade of the course.

Make Ups: There are **NO** make up exams for neither the quizzes, the midterms nor for the final exam. At the end of the quarter I will drop the worst two quizzes. So those quizzes you miss will count as zero. Also, if you score in the final exam higher than one of the midterms I will drop the worse midterm and the final exam will count, in this case, for 60%.

DO NOT MISS THE MIDTERMS AND THE FINAL EXAM. MOST IMPORTANTLY, MAKE SURE THAT YOUR "GRANDMOTHER" IS NOT SICK DURING THE EXAMS WEEK.
