

MR978583 (89k:17059) 17D92**Micali, Artibano** (F-MONT2); **Campos, Tânia M. M.** (BR-PCSPT);**Costa e Silva, Maria C.** (BR-PCSPT); **Ferreira, Silvia M. M.** (BR-PCSP)**Dérivations dans les algèbres gamétiques. III. (French. English summary)****[Derivations in gametic algebras. III]***Linear Algebra Appl.* **113** (1989), 79–99.

This is a continuation of earlier papers dealing with derivations in genetic algebras. The first part of the paper includes a section on interior derivations. The second part deals with duplication and its effect on derivations and idempotents.

{Part II has been reviewed [[MR0776524 \(86e:17011\)](#)].}
