

YOU ARE INVITED

Seminar on Leibniz Algebras

Speakers:

James Francese

"Approaches to Leibniz group theory: coquecigrues, Racks, and Strange Differentials"

Wesley Whiting

"Solvable Leibniz Algebras with Quasi-Filliform Lie Nilradical"

October 28, 2017

Time: 12:00 - 2:30 PM

Location: MH-476

**Everyone is welcomed to attend.
Food & Soda will be provided!**

Seminar series is sponsored by the NSF International Research Experience for Students
Uzbekistan-USA Collaborative Research in Leibniz Algebras Program
