MATH 3D - Winter 2007  
Elementary Ordinary Differential Equations

Instructor: Edriss S. Titi  
Office: MSTB 249  
Telephone: (949)- 824-3156  
E-mail: etiti@math.uci.edu  
Home Page: http://www.math.uci.edu/~etiti  
Office Hours: By an Appointment.

Quizzes: Every Thursday in the discussion session. Quizzes will form 20% of the total grade of the course. NO MAKE UP FOR THE QUIZZES, WE WILL DROP THE WORSE TWO QUIZZES AT THE END OF THE QUARTER.

The First Midterm: Thursday February 8, 2007, between 7:00pm-8:00pm, in ICS 174. The First Midterm will form 20% of the total grade of the course.

The Second Midterm: Tuesday March 6, 2007, between 7:00pm-8:00pm, in PSCB 120. The Second Midterm will form 20% of the total grade of the course.

Final Exam: Thursday March 15, 2007, between 7:00pm-9:00pm, in ICS 174. The Final Exam will be a comprehensive exam. The final will form 40% of the total grade of the course. IF THE SCORE OF THE FINAL EXAM IS HIGHER THAN EITHER ONE OF THE MIDTERMS WE WILL DROP THE LOWEST MIDTERM AND CONSIDER THE FINAL EXAM AS 60% OF THE TOTAL GRADE OF THE COURSE. SO IF YOU MISS A MIDTERM IT WILL COUNT AS ZERO.

DO NOT MISS THE FINAL EXAM! PLEASE MAKE SURE THAT YOUR “GRANDMOTHER” IS NOT SICK DURING THE WEEK OF THE FINAL EXAM.
