

UCI MathBridges presents

ALUMNI TALK SERIES

Come and discover a world of possibilities after graduation!

Speaker Cynthia Northrup
(Netflix Games)

Date Dec 6 2024

Time 4-5 pm

Location MSTB 124

Cynthia Northrup is a product manager at Netflix games, previously working at Blizzard entertainment. She received her Ph.D. from UCI under the supervision of Martin Zeman, serving as a Pedagogical Fellow and an ARCS scholar.

Abstract

Cynthia will walk through her experience after grad school, including advice on finding, applying, and interviewing for jobs. Time will be allotted for questions.
