Nick a Visiting Assistant Professor at Texas A&M University studying several complex variables. My mentor at Texas A&M is Emil Straube. He received my Ph.D. from the University of California Irvine in 2021. His dissertation was written under the supervision of Song-Ying Li.

Abstract

In this talk, I will discuss my experience as a math Ph.D. student at UCI (2015-2021), the job application process for postdoctoral research positions in math and differences and similarities between being a Ph.D. student and a visiting assistant professor.
