M341, Elementary Linear Algebra (# 57235)
Spring, 2005, TTh, 9:30 - 11:00 am, RLM 5.124

Instructor: Professor Jack Xin, RLM 10.164
e-mail: drxin@math.utexas.edu (best contact)
other info at web: http://www.math.utexas.edu/users/jxin

I. Textbook and Calculators

Casio, HP, Sharp, or other calculators.

II. Prerequisites: basic knowledge of algebra.

III. Office Hours: by appointment.

IV. Course Guidelines

Three In-Class Exams: Feb 24, March 31, May 5.

Please notify me of any conflict the first day of classes.

All exams are closed book however calculators are allowed.

Class Attendance: Sample class attendance will be taken during the semester.

You are responsible for every topic covered in class (whether or not it is in the book),
for obtaining all materials distributed in class, and for knowing every change in an
exam schedule announced in class. Graded exams will only be returned directly to
each student in class.

Homeworks: Regular homeworks will be assigned and collected in class. Completed
homeworks are credited, however, subject to the amount assigned, a selected portion
may be graded.

Grading:

Homeworks: 20 %, In-Class Exams: 80 %, taking the better two, each 40 %.

Numerical scores will be converted to letter scores at the end of semester (from A to
E), and the cutoff points will depend on the performance of the class.

Missed Exam: No makeup exams will be given. The other two exams will be used
to compute your course grade.

Drop Dates The last day to drop with Q: Feb 14; visit UT website for more info.

TA: Ms. Nancy Lin, e-mail: nlin@math.utexas.edu.

Disabilities: Please notify me of any modification/adaptation you may require to ac-
commodate a disability-related need. You will be requested to provide documentation
to the Dean of Students’ Office, in order that the most appropriate accommodations
can be determined. Specialized services are available on campus through Services for
Students with Disabilities.
