

UNIVERSITY OF CALIFORNIA, IRVINE
UCI MATH CIRCLE

The UCI Math Circle offers a free weekly enrichment program for young learners who...

- ▶ Love mathematics
- ▶ Want to meet friends who also love math
- ▶ Are eager to discover new math ideas
- ▶ Are not afraid to make mistakes
- ▶ Are respectful of others

"The graduate students, with their enthusiasm and knowledge, help to introduce challenging math problems in an approachable and fun manner."

"For our son, who needs to be challenged constantly to keep his interest level in math, the Math Circle was a very good opportunity for him to explore the math at a different angle."

The possibilities...
