Step 2: Click on "People" (see below)

The screenshot shows a Canvas LMS interface. On the left is a dark blue navigation sidebar with icons and labels for Account, Dashboard, Courses, Calendar, Inbox, Commons, and Help. The main content area has a header with a hamburger menu icon and the text 'Zhiqin Lu's Sample San...'. Below the header is a sub-header 'Zhiqin Lu's Sample Sandbox' with 'Edit' and a three-dot menu button. A vertical menu on the left lists various course elements: Home, Modules, Announcements, Grades, Discussions, Quizzes, New Analytics, Respondus Lock-down Browser, YuJa 2.0, Zoom, Conferences, Collaborations, **People** (circled in red), Outcomes, Assignments, Pages, Files, Syllabus, and Settings. The main content area contains a 'Welcome to Math 175: Combinatorics!' section with a description of the course, a list of topics, and a 'GETTING STARTED' list of four steps. To the right of the text is a book cover for 'Introductory Combinatorics' by Richard A. Brualdi.

Zhiqin Lu's Sample Sandbox

Edit

Welcome to Math 175: Combinatorics!

Combinatorics is a branch of mathematics concerned with the counting of sets and their elements. Through this course you will acquire a solid foundation in combinatorial methods.

Course topics will include: permutaions, combinations, pigeonhole principle, binomial coefficients, inclusion-exclusion principle, recurrence relations, generating functions and special counting sequences.

Please follow the "Getting Started" list below to familiarize yourself with the course and get started on your learning.

GETTING STARTED

- 1) Familiarize yourself with the course page. Start by clicking on [Modules](#) on the left menu bar and read through the "Course Overview" module.
- 2) Read the syllabus.
- 3) Acquire the course textbook.
- 4) Begin the first week of material, including viewing video lectures and completing the assignments.

Introductory Combinatorics
Richard A. Brualdi

Step 3: Click on “+People” in the right (see below)

The screenshot shows the Canvas LMS interface for a course titled "Zhiqin Lu's Sample San...". The left sidebar contains navigation options: Account, Dashboard, Courses, Calendar, Inbox, Commons, and Help. The main content area shows the "People" page with tabs for "Everyone" and "Groups". A search bar labeled "Search people" and a dropdown menu for "All Roles" are visible. A red circle highlights the "+ People" button in the top right corner. Below the search bar is a table with the following data:

Name	Login ID	SIS ID	Section	Role	Last Activity	Total Activity
 Zhiqin Lu	zlu	000000075239	Zhiqin Lu's Sample Sandbox	Teacher	Mar 18 at 6:09pm	02:00:00

Step 4: Enter the invitee's UCI net-id, click on "Lookup", and click on "Add collaborator" (see below)

The screenshot shows a web interface with a dark blue header containing navigation links: 'EEE+ GrandCentral', 'My Classes', 'My Canvas Course Spaces', 'My Sandboxes', 'Syllabus Browser', 'Support & Feedback', 'Help', and 'Logged in as Zhiqin Lu - Sign out'. The main content area features a white dialog box titled 'I want to: Add a collaborator to a sandbox'. The dialog is divided into two sections: 'USER TO ADD' and 'USER INFORMATION'. In the 'USER TO ADD' section, there is a text input field labeled 'UCINETID' containing the text 'davisjc', and a blue 'Lookup' button. In the 'USER INFORMATION' section, the following details are displayed: NAME: Christopher J Davis, and EMAIL: davisjc@uci.edu. At the bottom of the dialog, there are two buttons: a blue 'Add collaborator' button and a white 'Cancel' button. Red circles are drawn around the 'davisjc' text, the 'Lookup' button, and the 'Add collaborator' button to highlight the required actions.

Step 5: Click on “Done” (see below), you are all set!

EEE+ GrandCentral [My Classes](#) [My Canvas Course Spaces](#) [My Sandboxes](#) [Syllabus Browser](#) [Support & Feedback](#) [Help](#) Logged in as Zhiqin Lu - [Sign out](#)

✓ Your collaborator has been added to the sandbox!

Zhiqin Lu's Sample Sandbox

Collaborators

Name	Email Address	Date Added
Davis, Christopher J Remove collaborator	daviscj@uci.edu	3/18/2020 6:11pm

[Add Collaborator](#)

If you click “People” under your “Sandbox”, you would see the roles of each person. Both “Teacher” and “Sandbox collaborator” share the same privilege to edit the sandbox, but only the “Teacher” can add new people.

The screenshot shows the Canvas LMS interface for a user named Zhiqin Lu. The page title is "Zhiqin Lu's Sample San... > People". The left sidebar contains navigation options: Account, Dashboard, Courses, Calendar, Inbox, Commons, Help, People, Outcomes, Assignments, Pages, Files, Syllabus, and Settings. The main content area shows a "Sandbox" header with a "Go to Registrar WebRoster" button. Below the header, there are tabs for "Everyone" and "Groups", a search bar, and a "All Roles" dropdown menu. A table lists the people in the sandbox:

Name	Login ID	SIS ID	Section	Role	Last Activity	Total Activity
Christopher J Davis	daviscj	000000474298	Zhiqin Lu's Sample Sandbox	Sandbox Collaborator		
Zhiqin Lu	zlu	000000075239	Zhiqin Lu's Sample Sandbox	Teacher	Mar 28 at 6:11pm	02:02:02

The "Role" column in the table is circled in red. A tooltip "Disabled. Not visible to students" is visible over the "People" link in the sidebar.

The invitee would see the shared sandbox by clicking “Course” in her Canvas account. For example, see below.
